

Solaris Health — Provider Platform Terms

Last updated: 2026

These Platform Terms (“Terms”) govern your participation as a Provider on the Solaris Health / LUCA Passport platform (“Platform”, “we”, “us”). By submitting a provider application and checking the acceptance boxes, you (“Provider”, “you”) agree to be bound by these Terms.

1. Role of the Platform — Coordinator Only

Solaris Health acts solely as a **technology coordinator and marketplace** that connects patients and wellness seekers (“Patients”) with independent health and wellness providers. Solaris Health:

- Does **not** provide medical, dental, nutritional, therapeutic, or any other professional services.
- Is **not** a party to the care relationship between you and any Patient.
- Does **not** employ Providers; you remain an independent practitioner or business at all times.

All professional services are rendered by you, on your own account and responsibility.

2. Commission — 10%

Solaris Health charges a **platform commission of ten percent (10%)** on the gross value of every booking made through the Platform. The commission is deducted from amounts collected on your behalf before remittance to you. You are responsible for your own taxes, fees, and any payment-processing costs not expressly assumed by the Platform.

3. Provider Eligibility & Verification

You represent and warrant that:

- All information and documents you submit are **true, accurate, and current**.
- For **medical providers** (doctors, dentists, therapists, nutritionists), you hold and maintain the relevant degree, professional registration (CSSP), professional license (ISSP) in good standing, valid government identification, and applicable professional liability insurance.
- For **non-medical providers** (clinics, farms, workshops, gyms, spas, wellness centres), you operate a legitimate, lawfully registered business and the social proof you provide is genuine.

You must promptly update your information when it changes, including license expiry or any disciplinary action.

4. Professional Responsibility

You are solely responsible for:

- The quality, safety, and legality of the services you provide.
- Maintaining all licenses, registrations, certifications, and insurance.
- Compliance with all applicable laws, regulations, and professional standards.
- Obtaining informed consent and maintaining appropriate records for your Patients.

5. Document Retention

You acknowledge and consent that the documents and information you submit are stored securely by the Platform for verification and audit purposes for a period of **up to seven (7) years**, consistent with applicable record-keeping obligations, after which they may be deleted.

6. Limitation of Liability

To the maximum extent permitted by law, Solaris Health shall not be liable for any direct, indirect, incidental, special, consequential, or punitive damages arising out of or relating to the services you provide, the conduct of any Patient, or your use of the Platform. The Platform is provided on an “as is” and “as available” basis. Our aggregate liability to you shall not exceed the total commissions you paid to us in the three (3) months preceding the event giving rise to the claim.

7. Indemnification

You agree to indemnify and hold harmless Solaris Health, its affiliates, and their respective officers, employees, and agents from any claims, damages, liabilities, and expenses (including reasonable legal fees) arising from the services you provide, your breach of these Terms, or your violation of any law or third-party right.

8. Suspension & Termination

We may suspend or terminate your provider account at our discretion, including for violations of these Terms, misrepresentation, expired credentials, or Patient safety concerns.

9. Governing Law

These Terms are governed by the laws of the **Republic of El Salvador**, without regard to conflict-of-law principles. The courts of El Salvador shall have jurisdiction over any dispute arising from these Terms.

By accepting, you confirm that you have read, understood, and agree to these Platform Terms.
